 Children's Church Workers Today -- Danny & Julia Powers
 Next Week -- Rick & Tammy Mullins

Children's Church is for children ages 7 and under. We now have a class for children 8 - 12. We encourage parents to allow their children to participate in this special ministry that is unique and just for them.

As a child of God, prayer is kinda like calling home every day.

Have you ever wanted something so badly, it was all that you could think about? Before you went to sleep at night, you thought about it. When you woke up in the morning, you thought about it. When your mind would drift during the day, that's what it drifted to. No matter what, it seemed like you were always thinking about that one thing—until you got it. In much the same way, in Philipians 3 Paul said that He was going to look to Jesus as the prize. He went so far as to say that he was going to forget everything behind him, and only look forward to his Savior. Do you have this same dedication to your faith as Paul described?
