One of the most effective testimonies to the greatness of Jesus is when those in the body of Christ lays aside their differences and work together for the common cause of advancing the gospel. What better way to demonstrate the greatness of our Savior, and the urgency of our mission, than to lay aside the minor things that divide us and focus on the Jesus that unites us! John 17:23 says our unity displays the love of Christ to the world. A unified church glorifies Jesus. Take some time today to pray for unity for your church and the believers in your community.
